

Dr. Hany Ariffin

Institute : PPUM

Title : "Detection of minimal residual diseases in paediatric ALL using flow cytometry"

Amount : RM 38,000.00

En Mohd Azman Seeni

Institute : HUKM

Title : "Detection of HPV infection using PCR method and sequencing analysis implication for early cancer of servix screening in Malaysia"

Amount : RM 16,000.00

Dr. Ahmad Salihin Baba

Institute : UM

Title : "Antimutagenicity of extracts prepared from yogurt and herbal yogurt"

Amount : RM 16,000.00

Mr. Ho Sin Loong

Institute : UM

Title : "Molecular detection of BRCA1 mutations in young breast cancer patients"

Amount : RM 25,000.00

2002

2001

MAKNA

CANCER RESEARCH AWARD

collaboration with Academy Science Malaysia

The Award is held annually with the objective to motivate aspiring young researchers involved in areas of cancer research.

The award started in year 2001 amounting to a maximum RM50,000.00 to fund the selected research proposals by Academy Science Malaysia. Yearly allocation was increased to RM100K, starting 2005.

MAKNA

Majlis Kanser Nasional
National Cancer Council

Dr. Vishna Devi V

Institute : IMU

Title : "Cloning of a Bacilus Thuringiensis parasporal Gene with in vitro cell killing action on Leukaemic cells"

Amount : RM 25,000.00

Ms. Maha Abdullah

Institute : UPM

Title : "Identification of diagnostic markers and mechanisms involved in early relapse of acute myloid leukaemia samples associated with high proliferative potential"

Amount : RM 25,000.00

2003

2004

Ms. Lim Moon Nian

Institute : IMR

Title : "Suppression of multidrug resistant gene in acute myeloid leukaemia cells by small interfering RNA"

Amount : RM 30,000.00

Dr. Latifah Saiful Yazan

Institute : UPM

Title : "The in vivo anti tumor promoting activity of bacteriocins from lactic acid bacteria on chemical carcinogenesis in mice skin"

Amount : RM 20,000.00

Proud recipients of MAKNA Cancer Research Award 2004
